

### Power Dragon

1. Background: The background features a vibrant and fiery sky with an orange and yellow gradient, giving a dramatic and dynamic feel. There are clouds and an overall majestic atmosphere that complements the theme of dragons.
2. Dragons: Five intricately designed dragons are prominently displayed at the top. Each dragon is colored differently (gold, wood, water, fire, and earth) and has a fierce, mythological appearance. They are positioned in a semi-circle, creating a sense of unity and power. You can see the dragons breathing fire.
3. Essence of Oriental Art: The dragons are full of the essence of Oriental art.
4. Overall Color Scheme: The color scheme is dominated by gold, red, and other rich colors, creating a sense of wealth and excitement. The detailed artwork and vibrant colors make the game visually appealing and engaging.
5. Poker Elements: There are elements of poker in the game.

### Money God

1. Main Figure: There is a large, smiling figure of the god of wealth, wearing a traditional golden headdress and robe, symbolizing fortune and happiness.
2. Five Gods: There are five gods of wealth and health from the Orient, resembling happy old men or kindly old grandpas. The five gods wear clothes in yellow, red, green, purple, and blue.
3. Gold Ingot: A gold ingot is present in the game.
4. Overall Color Scheme: The color scheme is dominated by gold, red, and other rich colors, creating a sense of wealth and excitement. The detailed artwork and vibrant colors make the game visually appealing and engaging.
5. Poker Elements: There are elements of poker in the game.
